

# PAOLA: We're in it to win it!

Here are four easy ways to get started:

## The Take Charge

**Challenge** is a friendly competition engaging 16 Kansas towns in four regions of the State of Kansas. Paola is part of the

## Northeast Kansas

region, which also includes Gardner, Ottawa and Baldwin

City. Amazingly, **one**

**community** in each of the

four regions will receive a

**\$100,000** grand prize.

Winners will be announced in October, 2011.

This effort encourages **saving energy** so that **citizens**

can **save money**. To join

the team, contact Mike at City Hall, (913) 259-3600, or visit

**PaolaTakeCharge.com**

to learn more.

**1** Schedule an Efficiency Kansas  home energy audit.

**2** Make the switch  to compact fluorescent bulbs.

**3** Enroll in your utility's  energy efficiency program.

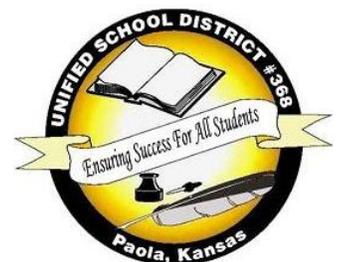

**4** Attend a Take Charge! Challenge  event.

**Take Charge!**

WITH

## What you can do today to help Paola WIN!

Did you know that if you add up all the leaks in your home, you would have a hole the size of a basketball? Schedule a \$100 energy audit at

[www.energycanada.org](http://www.energycanada.org) to find your basketball-sized hole!

Or, visit [www.kcplsave.com](http://www.kcplsave.com) to utilize their free online Home Energy Analyzer.

You can start saving energy now by replacing old lightbulbs with new energy-efficient CFLs. Log your bulbs changed at [www.PaolaTakeCharge.com](http://www.PaolaTakeCharge.com)!
