

Trail Rules & Etiquette

To ensure everyone can enjoy the Paola Pathways trail system, please follow our guidelines:

- The trails are designed for walkers, runners, and bicyclists. Horses and motorized vehicles are **not** allowed. Violators are subject to fines.
- Share the trail with fellow community members.
- Keep to the right; say “on your left” before passing.
- Cyclists should yield to runners and walkers.
- Keep your trails clean. There are garbage and recycling bins at trailheads to ensure you leave no trace.
- Thank you for not smoking or vaping.
- Pets must be on a leash and under control at all times. [City Ord. No. 3080 §1, 1-27-2015]
- Remember to pick up your pet’s waste, both on and off the trail.
