

Branch & Brush Collection Program

On the fourth Monday of every month, the Paola Public Works Department will canvas the city and pick up cut and bundled limbs from trees and shrubs. Residents should continue to discard leaves, grass clippings, and garden plants at the Public Works-waste dump site at their convenience.

How to Bundle:

- Use twine or string only. No wire or plastic binding can be accepted.
- All limbs must be less than 4 inches in diameter.
- Limbs must be cut into 4 foot lengths, or less.
- Bundles must be less than 18 inches in diameter.
- 50 pounds maximum weight per bundle.
- Place bundles at the street curb before 7:30 a.m. on collection day, **not in the alley**.
- Please note that only materials meeting these specifications will be collected.

Collection Schedule: The 4th Monday of each month.
